Kelso, WA 98626

Re; ILWU Local 21 and supporters

Prosecutor Baur,

AFSCME Local 444 condemns the continued persecution of members and supporters of International Longshore and Warehouse Union Local 21 in Longview Washington by the Cowlitz County prosecutor. These brothers and sisters are being punished for taking action that compelled the Union busting EGT Company to step back from its attempt to run a scab grain loading operation. We demand that all charges be dropped now.

Ruben Rodriguez
President AFSCME
Local 444
